**MICHAEL J. HENRY**  
DIRECTOR OF PERSONNEL

September 29, 2005

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**SUPPLEMENTAL AGREEMENT BETWEEN  
THE COUNTY OF LOS ANGELES AND  
THE CITY OF LOS ANGELES TO PROVIDE MANAGEMENT AND EMPLOYEE  
DEVELOPMENT TRAINING PROGRAMS  
(ALL SUPERVISORIAL DISTRICTS)  
(3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve and instruct the Director of Personnel to sign on behalf of the County of Los Angeles the attached Supplemental Agreement to the City of Los Angeles' Contract Agreement No. C-106734 adopted June 8, 2004. The purpose of the Supplemental Agreement is to extend the City's Agreement, upon Board approval through June 30, 2007, to continue to provide management development training programs to City employees through the Department of Human Resources' (DHR) Los Angeles County Learning Academy. The cost to the City of Los Angeles is \$69,250 per program, with an option to provide six (6) additional sessions during the term of the agreement, and a total payment to the County of Los Angeles of \$481,750, at no increase in net County Cost.

*To Enrich Lives Through Effective and Caring Service*

### **PURPOSE/JUSTIFICATION OF THE RECOMMENDED ACTIONS**

The proposed recommendations are necessary for DHR to enter into contract with the City of Los Angeles to deliver training services through the Los Angeles County Learning Academy. The City of Los Angeles will contract with DHR for a management development training program. Approval of this Supplemental Agreement would allow DHR to provide the training services and authorize the Director of Personnel to provide up to an additional six (6) sessions during its term. All costs for programs delivered by the Academy will be paid by the City of Los Angeles.

### **IMPLEMENTATION OF STRATEGIC PLAN GOALS**

The recommended Board actions are consistent with both the County's Strategic Plan Goal of Service Excellence, "...easy access to quality information and services that are both beneficial and responsive" and the County's Strategic Plan Goal of Fiscal Responsibility. The management development training services that will be provided through the Los Angeles County Learning Academy to the City of Los Angeles managers will improve service delivery to the constituents of Los Angeles County by providing tools to enhance their ability to further develop organizational performance and service delivery.

### **FISCAL IMPACT/FINANCING**

There is no increase in net County costs associated with this action. Program expenditures are 100% offset by the Supplemental Agreement with the City of Los Angeles incurring all costs of the program at an amount not to exceed \$69,250 per training program for a maximum contract amount of \$481,750.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Agreement between the County of Los Angeles and the City of Los Angeles for management development training programs promotes collaboration between our agencies. It has been reviewed by County Counsel and approved as to form. The term of the Supplemental Agreement is for two years. The County has not provided services under the Supplemental Agreement and will not do so until such time as approved by the Board.

### **CONTRACTING PROCESS**

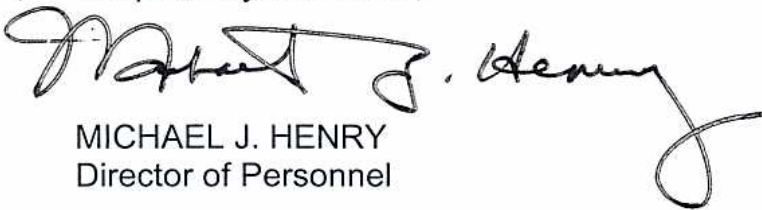

This Supplemental Agreement is authorized by Section 56 1/4 of the Charter of the County of Los Angeles and Section 51300, et seq., of the Government Code.

**IMPACT ON CURRENT SERVICES**

The recommended actions allow DHR to offer one of the comprehensive programs of instruction, the management development training program, to managers of the City of Los Angeles through the Los Angeles County Learning Academy. Additionally, these recommended actions promote intergovernmental partnerships and further demonstrate the success of our collaborative efforts with our partners at the California State University. Further, it is our belief that these management and employee development training programs enhance the overall performance of governmental employees who choose to reside and work in Los Angeles County.

Respectfully submitted,
